The seventh was McGlynn's round y a wide margin. If the crowd needed any further introduction to the new heaver than it already had, that intro duction came in this inning.

The session started with Dressen fly

Galena made brave try for it but he couldn't quit reach and Davis lived. Schimpff flie to Potts. Stripp got a neat little sin gle over the infield and then it was McGlynn's turn.

The crowd gave him a great hand a he passed the stand. He must hav heard the prominent citizens in the bo and decided to grab off an honorable place on the honorable board of cit commissioners, for he smiled a little smile and clasped his stick.

Williams leaned backward and ther forward and, Zowie! the ball hit the roof of the house just outside the lot. There was a most gratifying proces-sion across the plate, the participants being Davis, Stripp and McGlynn. Crowds in Uproar.

The stands fairly went wild over this performance and they had good right performance and they had good right so to go wild, because it was such a performance as calls for wildness. The Great Falls folks had a one-man rally in the ninth, but it fizzled. With one down, Toner doubled to right field, but he got no farther. McGlynn cor-rectly interpreted the particular desires

the remaining two days no doubt will see a great outpouring of fans.

There is some talk of transferring one of the Butte-Salt Lake series to this city, as a finisher of the season. Salt Lake did not make Butte on the former northern trip, owing to the races being a counter attraction. On the journey which begins next Sunday wight Butte is scheduled for two weeks. night Butte is scheduled for two weeks. Also there is talk of bringing the Great Falls series at home to Salt Lake in case the races prove too great an at-traction. The people of Great Falls, however, probably would not stand for

such a swap.
Arrangements have been completed for a game at Pocatello Monday on the northern trip. Pocatello has a fast team and no doubt there will be a spirited battle in the Gateway when the Sky-scrapers clash with the Pocatello boys. GREAT FALLS.

Only twenty-five men stepped to the plate, both sides included, in the first three and a half innings, and consequently there was nothing doing except superb baseball.

Huelsman's Fence Ball.

In Salt Lake's half of the fourth Captain Huelsman picked out the first ball pitched and sent it over the fence. It was a peculiar drive in that it never bent as much as an inch before it went over, this fact being proof of the power which the captain put into the blow. Probably it was the hardest hit of the year, although it diidn't look so. Unfortunately for Salt Lake, there was none on bases when the captain laced it over.

It was a case of ticktack in the fifth on both sides.

In the sixth there was something doing for the visitors, when they got their two counters over.

GRAND CIRCUIT IS **FULL OF FEATURES**

Races Put Over From Thursday Are Decided; Tommy Finch Is Winner.

GRAND RAPIDS, Mich., Aug. 1.—
Racing full of features was staged at the grand circuit meet here today, when the four events of Thursday's card, put over for a day because of rain, were decided.

Braden Direct, signalizing his first start of the season, won the free-for-all pacing event with little opposition in straight heats. The indisposition of Joe Patchen II, which precluded his starting in this race, defracted from its interest. In the deciding heat of the 2:17 pace, unfinished from Wednesday, Mack Thistile, with Dean up, in place of Stedman. In the deciding heat of the 2:17 pace, unfinished from Wednesday, Mack Thistle, with Dean up, in place of Stedman, went to the post a strong favorite. Strathstorm, splendidly driven by Murphy, had the speed at the finish, however, and won by a good margin.

Six scored for the word in the Comstock \$5000 stake for 2:11 pacers, with Murphy's Frank Bogash, Jr., the favorite. Bogash won the first heat, hard pushed by Grattan Royal, and the second with Cabel as the contender. Leata J. forged to the front in the third heat, while Grattan Royal, knocking his knees together through the failure of his "spreader" gear to work properly, was distanced.

Both Frank Bogash and Leata J. broke on the turn into the stretch in the fourth, and Foote Prince won, with Cabel at his flank. Leata J. had the lead the entire route in the fifth heat. Then, with all but the double-heat winners eliminated, the California mare raced Murphy's good gelding off his feet for the decision.

the decision.

The 2:10 trot furnished three heat winners, with Tommy Finch, the favorite, finally prevailing. Owner George Castle, after driving the winner the first three heats, relinquished his seat to Murphy,
